Re: NCR Corporation (Millsboro Plant) Superfund Site; G&K
File No. 143-244

Dear Mr. Kurent:

The purpose of this letter is to respond to your letter dated October 18, 1991, in the above matter, where you stated NCR Corporation's position with respect to EPA's concerns with the Consent Order entered on March 18, 1988 between NCR Corporation and the Department of Natural Resources and Environmental Control of the State of Delaware.

EPA has reviewed your comments, and we stand behind our position as stated in our August 1, 1991 letter and as previously discussed with you on October 10, 1991.

Cordially yours,

Lourdes del Carmen Rodriguez
